Renee Grout  
City of Albuquerque  
City Council District 9

Dear Mrs. Grout,

The Albuquerque Police Officers' Association is proud to endorse you for City Of Albuquerque City Council District 9. The APOA represents over 900 Albuquerque Police Officers from the Albuquerque Police Department and Aviation Police in collective bargaining and grievance procedures. The APOA is the largest police association in the state of New Mexico.

Our endorsement is based on your continued support for law enforcement and public safety as a whole. Your ability to understand the needs of public safety at the local level makes us believe that you are the best candidate to expand your support for law enforcement on the national level. You bring a common sense approach toward making decisions that will be fair, competent and based on the principles of what is right. We look forward to your continued support with legislation that is beneficial to public safety and the community.

The City of Albuquerque and the APOA need leadership and guidance that we can be proud of. For that reason we feel you represent what is best for our country, community and the members we proudly serve. We believe you will continue to be a friend to law enforcement in our effort to make our community a safe and enjoyable place in which to live.

Sincerely,

Shaun Willoughby
