# Renee Grout will lead the fight to repeal the city's Sanctuary City law.

**“The Sanctuary City law protects criminals and threatens public safety. It must be repealed.”**

—Renee Grout

**C**rime in Albuquerque is four times higher than the national average, yet the mayor and ant-police politicians continue to put their extreme ideology in front of public safety.

Renee Grout is running for City Council to get tough on crime and end dangerous policies like Sanctuary City to make Albuquerque safe.

## **Tough On Crime**

Renee Grout will fight for tougher anti-crime laws and give our police the support they need on the City Council to enforce our laws, crack down on crime and get criminals off our streets.

**Election Day is November 2  
Early Voting Begins Oct. 16**

## **End Sanctuary City**

Albuquerque's Sanctuary City law forces law enforcement to release illegal immigrants who are arrested for committing crimes, including rape and murder, back out onto our streets without notifying federal authorities.

Renee Grout strongly opposes the Sanctuary City law and will fight to repeal it.
